We offer our used packing machinery equipment with power cabinets, control panels, etc. to the exclusion of EU sales law how the machineries are standing.

They are not covered by any guarantee. As seen, the sale takes place without current or later warranty for any legal or material defects.

Claims for rescission, reduction in price or compensation for damages are expressly excluded.

Retention of title: The delivered goods remain our property until they have been paid for in full, even after they have been resold.

An intermediate sale of the complete system as well as individual components of the same is possible for us. We expressly reserve the right to make errors until a final contract has been concluded.
